

REMARKS

The amendments herein are made to correct certain informalities in the allowed claims. As none of the changes enlarge the scope of the broadest claims (independent claims 1, 11, and 12), and all of the amendments are clearly supported by the Specification as filed; i.e., by paragraph [0025] and [0047] (claim 2), and by paragraphs [0032] and [0034] (claim 10), Applicants submit that this amendment is enterable without requiring further consideration by the Examiner. If for any reason the Examiner has any question regarding this amendment, he is respectfully requested to contact the Applicants' attorney at the telephone number indicated below.

It is believed that no fee is required upon filing this Amendment. However, if any fee is required, authorization is given to debit the Deposit Account No. 09-0458 of the Assignee for the amount due, and to credit any overpayment to the same account.

Respectfully submitted,  
Huajie Chen et al.
